

3 Days Safari to Lake Manyara, Ngorongoro Crater and Tarangire Parks

3 Days Safari to Lake Manyara, Tarangire, Ngorongoro Crater and where, 1 day Lake Manyara, 1 Days to Ngorongoro and 1 day to Tarangire

Day 1: Arusha - Lake Manyara

Distance: 130 km (2 hrs. 30 min.). Pick up from your hotel in Arusha Town. After breakfast depart to Manyara. Lunch and afternoon game drive in this superb scenic park set around Lake Manyara, most famous for the tree climbing lions. Lake Manyara National Park is a birdwatcher's paradise. Marvel at the variety of bird species. Dinner & overnight at Lake Manyara Serena Lodge or Karatu, L,D.

Day 2: Lake Manyara - Ngorongoro Crater

Distance: 190 km (4 hrs.). Drive to the crater with unique views of the high altitude rain forest surrounding the ring. Lunch at your lodge. Afternoon descend to the crater for game viewing. The crater has become a unique conservation area where Lion, Elephant, Rhino and Buffalo roam in perfect safety. Dinner and overnight at Ngorongoro Serena Lodge or Ngorongoro Sopa Lodge or Karatu, B,L,D

Day 3: Ngorongoro - Tarangire - Back to Arusha / Moshi

After breakfast, game drive enroute for Tarangire National Park. In the afternoon you'll be taken on a game drive through the park. Many of the animals congregate around the only source of permanent water in the park, the Tarangire River. This is the best place in Tanzania to see really big herds of elephants of up to 300 at a time on safari. Return to Arusha / Moshi, end of Safari
